

The 17th Karmapa Trinley Thaye Dorje

New Delhi, 4th of May 2014

Dear Dharma Friends,

Our dear Choponla Gyaltzen Lozang, who attended both my predecessor the 16th Gyalwa Karmapa and myself for many years as head Chopon, (Offering Master) has recently passed away.

I would like to ask all of you to dedicate your merit and practice to him, and I will be praying for him as well.

Although his physical presence is no longer with us, we will always remember him for his wonderful qualities.

May all of us be able to fully integrate all the precious things we can learn from our elders, for the betterment of all sentient beings! ||

With prayers,

The 17th Karmapa Trinley Thaye Dorje
